

## ANNOUNCEMENT

Effective **July 13, 2010**, the U.S. Department of State implemented a revision of consular fees for immigrant and diversity visa processing based on a comprehensive study that determined the actual cost of performing consular services. Please note that all applications and requests for consular services received on or after Tuesday, July 13, 2010, must be accompanied by the new amount listed on the new consular fee schedule below. The only exception is for applicants who paid their immigrant visa fee at the National Visa Center before July 13, 2010, and will not be charged the difference. However, all diversity visa lottery applicants processed by the Kentucky Consular Center must pay the new fees at the Embassy starting on July 13. For current exchange of rate please click [here](#).

Please see the new fee schedule below.
